No suggestions.

7. Updates on any ongoing Council projects

Andrea Fisher presented the idea of a parent shadowing experience similar to Grade 9 shadow experience in the work place at the February meeting. The goal of the experience would be to increase parent's engagement in the school and the School Council. Jane Alexander discussed with a small group of teachers. The teachers expressed concerns about parents disturbing class room activities. Jane Alexander will present the idea to more teachers and provide feedback at the May meeting.

Suggestions were made for Mr. Loewen to speak at the next meeting about the outdoor education program. Jane Alexander will invite Mr. Loewen to the May meeting.
