- Hospitality and tourism is one of the top fields for employment in Canada. Hospitality and tourism courses prepare students to meet diverse challenges in this multifaceted field. Hospitality and tourism education provides both a hands-on and a theoretical approach to learning about the various sectors in the field.
- Students will have opportunities to develop essential food preparation and presentation skills; will learn about event planning and marketing, customer relations, tourism, and will examine the cultural and economic forces that drive tourism trends.
- Students will gain experience with equipment and procedures commonly used in their particular sectors of interest, and will comply with health and safety regulations and standards that govern the various sectors in the tourism industry.
- They will acquire a foundation of skills and knowledge that will prepare them for both postsecondary education and careers in hospitality and tourism.

Options for Course Delivery in Grades 11 and 12 Emphasis Courses

- In Grades 11 and 12, a destination-related broad-based technology course may be developed to emphasize a particular area of the subject (that is, an area related to a particular sector or particular occupations connected with the subject).
- The topics and applications that must be addressed in an emphasis course are evident from the course description and the expectations and examples provided for the broad based course outlined in the Ontario Curriculum Document.
